Stewardship Reflection – 33rd Sunday Ordinary Time

“..Rather, we wanted to present ourselves as a model for you, so that you might imitate us.” 2 Thessalonians 3:9

Most people who live a grateful and generous lifestyle don't go around bragging about it. But through their words and actions, others do take notice. They notice because of the joy and peace that results, and others desire this in their own life. Know that the way you live your life may be the only interaction others may have with our Catholic faith.

Why does Jesus give himself to us as food and drink? Jesus gives himself to us in the Eucharist as spiritual nourishment because he loves us. By eating the Body and drinking the Blood of Christ in the Eucharist, we become united to the person of Christ through his humanity. “Whoever eats my flesh and drinks my blood remains in me and I in him,” (Jn 6:56). In being united to the humanity of Christ, we are at the same time united to his divinity. Our mortal and corruptible natures are transformed by being joined to the source of life. eucharisticrevival.org
