QUESTION OF THE WEEK: SECOND READING: Hebrews 4:12-13: 1. This reading says that “the word of God... is able to discern reflections and thoughts of the heart.” How do you feel about the Word knowing you better than you know yourself? Do you trust God with such personal things? And would you like to know yourself better? 2. Do motives and attitude color your decision-making? Are your motives and attitudes in good order, or could they use a realignment?
